Washington State Family Medicine Residency Expansion: 2015 to 2023

- In 2015 (before ESSHB1485), there were 285 Family Medicine residency positions receiving state funding.
- As of 2023, we will increase to 507 positions receiving state funding
- This is an increase of 222 new residency positions– a 78% increase assisted by new funding provided by the State Legislature in the 2015 Session (8 million in General Funds (SB6052) & 8.1 million in Hosp. Safety Net Funds (HB 2151 for the biennium).
- The total number of new family physicians graduating and entering practice between 2015 and 2023 will be 1,174.
