Rulemaking

WASHINGTON
Medical Commission
Licensing. Accountability. Leadership.

Opioid Prescribing General Provisions for Allopathic Physicians (MD) & Physician Assistants (PA)

The WMC is considering amending the following opioid prescribing rules to modernize the language, add clarity, and bring the rules more in line with current practice: MD WACs [246-919-850](#) through [246-919-985](#) and PA WACs [246-918-800](#) through [246-918-935](#).

The Preproposal Statement of Inquiry, or CR-101, was filed on April 30, 2025, as WSR #25-10-039. For more details about this rulemaking, please refer to the CR-101 document linked below.

CR-101

We will hold five workshops for this rulemaking over the next several months. All workshops will be a hybrid format though Commissioners and staff will attend virtually.

Notices for these and future workshops will be distributed through this list and posted to our [Rules in Progress](#) page. These dates are subject to change. If you register for a workshop and the date or time are changed, you will be notified via the Teams Webinar platform.
