2. Personal Data Questions

Yes No

1. Do you have a medical condition which in any way currently impairs or limits your ability to practice your profession with reasonable skill and safety?.....

If yes, please attach any supporting documentation and a detailed explanation

“Medical Condition” includes physiological, medical, mental or psychological conditions or disorders, such as, but not limited to orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, sleep disorder, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, intellectual disabilities, emotional or mental illness, specific learning disabilities, HIV disease, tuberculosis, drug addiction, and alcoholism.

You may answer No if the behavior or condition is already known to the Washington Physician Health Program (WPHP). "Known to WPHP" means that you have informed WPHP of your behavior or conditions and you are complying with all of WPHP's requirements for evaluation, treatment, and/or monitoring.

If Yes, You must submit detailed information to the Commission that will allow the Commission to assess your ability to practice safely, competently, and without impairment to your professional judgment, skill, or knowledge. In addition to this information, you are required to provide copies of any related records, reports, evaluations, police reports, probation reports, and court records directly to the Commission.

Note: If you answered “yes” to question 1, the licensing authority will assess the nature, severity, and the duration of the risks associated with the ongoing medical condition and the ongoing treatment to determine whether your license should be restricted, conditions imposed, or no license issued.

The licensing authority may require you to undergo one or more mental, physical or psychological examination(s). This would be at your own expense. By submitting this application, you give consent to such an examination(s). You also agree the examination report(s) may be provided to the licensing authority. You waive all claims based on confidentiality or privileged communication. If you do not submit to a required examination(s) or provide the report(s) to the licensing authority, your application may be denied.

2. Do you currently use chemical substance(s) in any way which impair or limit your ability to practice your profession with reasonable skill and safety? If yes, please explain.....

“Currently” means within the past six months.

“Chemical substances” include alcohol, drugs, or medications, whether taken legally or illegally.

Note: If you answer “yes” to any of the remaining questions, provide an explanation and certified copies of all judgments, decisions, orders, agreements and surrenders. The department does criminal background checks on all applicants.

3. Have you **ever** been convicted, entered a plea of guilty, no contest, or a similar plea, or had prosecution or a sentence deferred or suspended as an adult or juvenile in any state or jurisdiction?

Note: If you answered “yes” to question 3, you must send certified copies of all court documents related to your criminal history with your application. If you do not provide the documents, your application is incomplete and will not be considered.

To protect the public, the department considers criminal history. A criminal history may not automatically bar you from obtaining a credential. However, failure to report criminal history may result in extra cost to you and the application may be delayed or denied.
