2. Workgroup Operations

- a. Meeting format, schedule, and topics
 - i. Rebecca King presented the group with the meeting format, tentative schedule and topics to be covered.
- b. Work plan presentation
 - i. Rebecca King informed the group of possible presentations individuals could volunteer or be assigned to complete.
- c. Group norms
 - i. Rebecca King read the group norms and expectations by which the group was expected to operate
- d. Agreements
 - i. The Workgroup voted to accept the Group Norms. The vote was unanimous.

3. Clinical Experience License Language

The group reviewed the draft Clinical Experience Language that was created by the WMC. The group discussed supervision requirements, prioritization of IMGs,

license time limits, and the overall goal of providing better access for IMG's to a path for licensure in the State. Approved facilities for gaining experience will be "recognized by WMC". A vote was held by members of the group for Consensus to remove remote supervision and forward to medical commission to create a draft. The motion was approved unanimously.

4. Exceptional Experience Waiver Language

- a. This will be touched on in future meetings.

5. Other Business

- a. None

6. Next Steps/Adjourn

- a. Next meeting will be held in one month.
- b. Meeting adjourned at 11:06 am.
