

Medical Commission Discipline Process

This flowchart displays the complaint process and the estimated timeframes. The reconsideration request and judicial review process timeframes refer to the length of time determined by statute for the complainant or respondent to complete the necessary steps for those actions. The Commission determines the length of compliance monitoring on a case-by-case basis. We encourage you to read the [Practitioner Regulation](#) section of the website for complete details.

Intake and Assessment: 21 Days **Investigation: 170 Days** **Case Disposition: 140 Days**
Request Reconsideration: 30 Days **Reconsideration Petition: 10 Days** **Judicial Review: 30 Days**
