Conference Center SeaTac, WA

# About the Washington Medical Commission

## Purpose

It is the purpose and responsibility of the Washington Medical Commission (WMC) is to protect the public by ensuring quality healthcare is provided by physicians and physician assistants. The WMC establishes, monitors, and enforces qualifications for licensure, consistent standards of practice, and continuing competency. Rules, policies, and procedures developed by the WMC promote the delivery of quality healthcare to the people in WA.

## Vision

Advancing the optimal level of medical care for the people of Washington State.

## Mission

Promoting patient safety and enhancing the integrity of the profession through licensing, discipline, rule making, and education.

## Values

- We make fair, objective, and informed decisions in licensing and disciplinary actions.
- We earn the public's trust by being transparent and accountable.
- We rely on evidence-based data and we look to health-based outcomes to determine our effectiveness.
- We encourage collaboration through mutual respect and direct, effective communication.
- We strive for innovation and continuous improvement in all our processes.

## 2019-2020 Focus

- Promote patient safety.
- Build and maintain productive relationships.
- Continuously improve commission effectiveness and efficiency.
